FOREWORD

The rivalry between Ohio State University and the University of Michigan is one of the oldest and most celebrated in the country, but the rivalry goes beyond just the colleges. No one knows this better than I.

Growing up in Michigan, I attended many U of M games and became a true-blue Michigan fan. But times change and my father moved to Ohio, and I found myself attending OSU. Now half my family lives in Ohio, the other half in Michigan. When we all get together, more than a few barbs between the states are exchanged.

Wanting to pursue this rivalry further, I took out ads in several Michigan newspapers asking for Ohio/OSU jokes, meaning to do the same in Ohio—requesting Michigan jokes. I never got the chance! The response was overwhelming! Not only did I receive hundreds of jokes and letters, but also a lot of media attention. The story was picked up by some radio stations in Cleveland who gave out my address daily, and urged its listeners to send me Michigan jokes in retaliation! Soon I was getting more mail from Ohio than Michigan.

This book is a collection of some of the more printable jokes I received. I hope you enjoy them.

MICHIGAN AND OHIO TROUBLE FROM THE START

Michigan and Ohio have been going at it a long time. In 1835 they almost had a full scale war with each other. It seems there was some question about the boundary line between the two. (About a 400 sq. mile question!)

One thing lead to another and pretty soon Michigan's 21-year-old governor was gathering his troops to actually invade Ohio! Through some rather questionable political maneuvering, a decision was handed down by President Jackson in favor of Ohio. Michigan was compensated with immediate statehood and the whole western half of the Upper Peninsula.

Actual warfare was avoided, but almost 150 years later the battle between these two states rages on . . .
